**New partner in the Netherlands for Tony Kart: Kombikart Racing Parts BV**

Tony Kart s.r.l. is pleased to announce to have reached an agreement with Kombikart Racing Parts BV regarding the sale and the distribution of all its products in the Netherlands.

Kombikart Racing Parts BV, which is already a chassis manufacturer, becomes in this way Tony Kart partner in the Netherlands in virtue of the technical quality characterizing all our products marked Tony Kart, Vortex and OTK Kart Parts.

Kombikart can count on a wide range of high quality technologic products, allowing in this way to satisfy every kind of customer.

Hereinafter besides our multi-year and extremely reliable Tony Kart dealer, Koene Racing, there will be also our new partner Kombikart Racing Parts. In this way it is possible to grant a more homogeneous and efficacious distribution of our brands in the Netherlands.

According to this partnership, Kombikart Racing will go down to the track with the team Hugo Motorsport on occasion of the most important national and international events using Tony Kart-Vortex technical material and OTK Kart Parts.
